

ORCHARD WHARF

REGAL
UK

Orchard Wharf is a new riverside development by Regal. Providing 1,365 student beds and 208 affordable houses alongside the safeguarded wharf.

andseventy worked with Howells and Regal to create key CGI's for the milestone planning application, with the focus on explaining how the scheme sits within the newly redeveloped Goodluck Hope and London City Island.

Our images also highlighted how the 7,400m2 of open green space could be used.
