

ORCHARD WHARF

REGAL
UK

Orchard Wharf is a new riverside development by Regal, delivering 1,365 student beds, 208 affordable homes, and preserving the existing safeguarded wharf.

andseventy partnered with Howells and Regal to produce key CGIs for a milestone planning application. The imagery focused on showing how the scheme integrates with the surrounding developments at Goodluck Hope and London City Island.

We also visualised the potential use and character of the 7,400 m² of open green space within the site.
